

Name _____

Why is Leadership Important?

Think about how leadership is important in school, at home, in your community, and beyond. What might school be like without leadership? What does leadership look like at home? Why is it important there? Think about why it's so important for people to use leadership in the community. What happens when people don't use leadership? Use the table below to work with your TEAM to talk about why leadership is important!

List two reasons Leadership is important in school.

1.

2.

List two reasons Leadership is important at home.
